Our Vision – Local Cornerstone

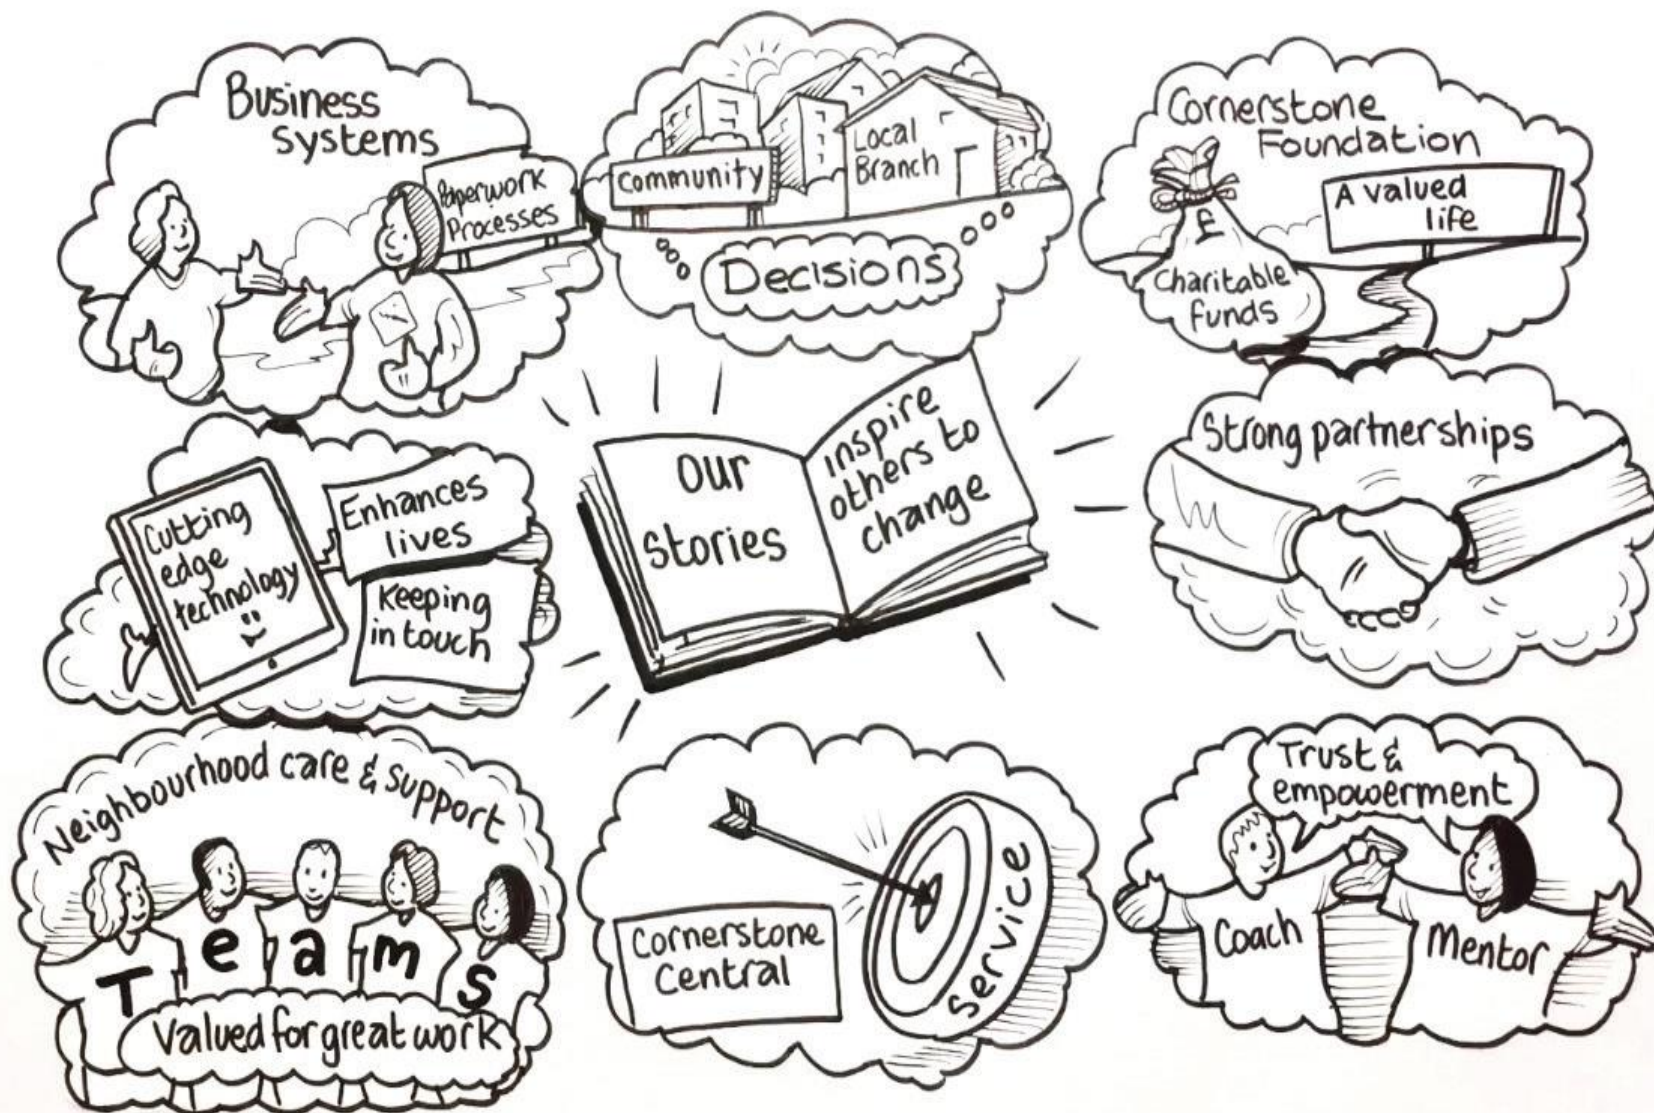

Let us continue to put people at the centre of our activity and assist them to live the life they choose

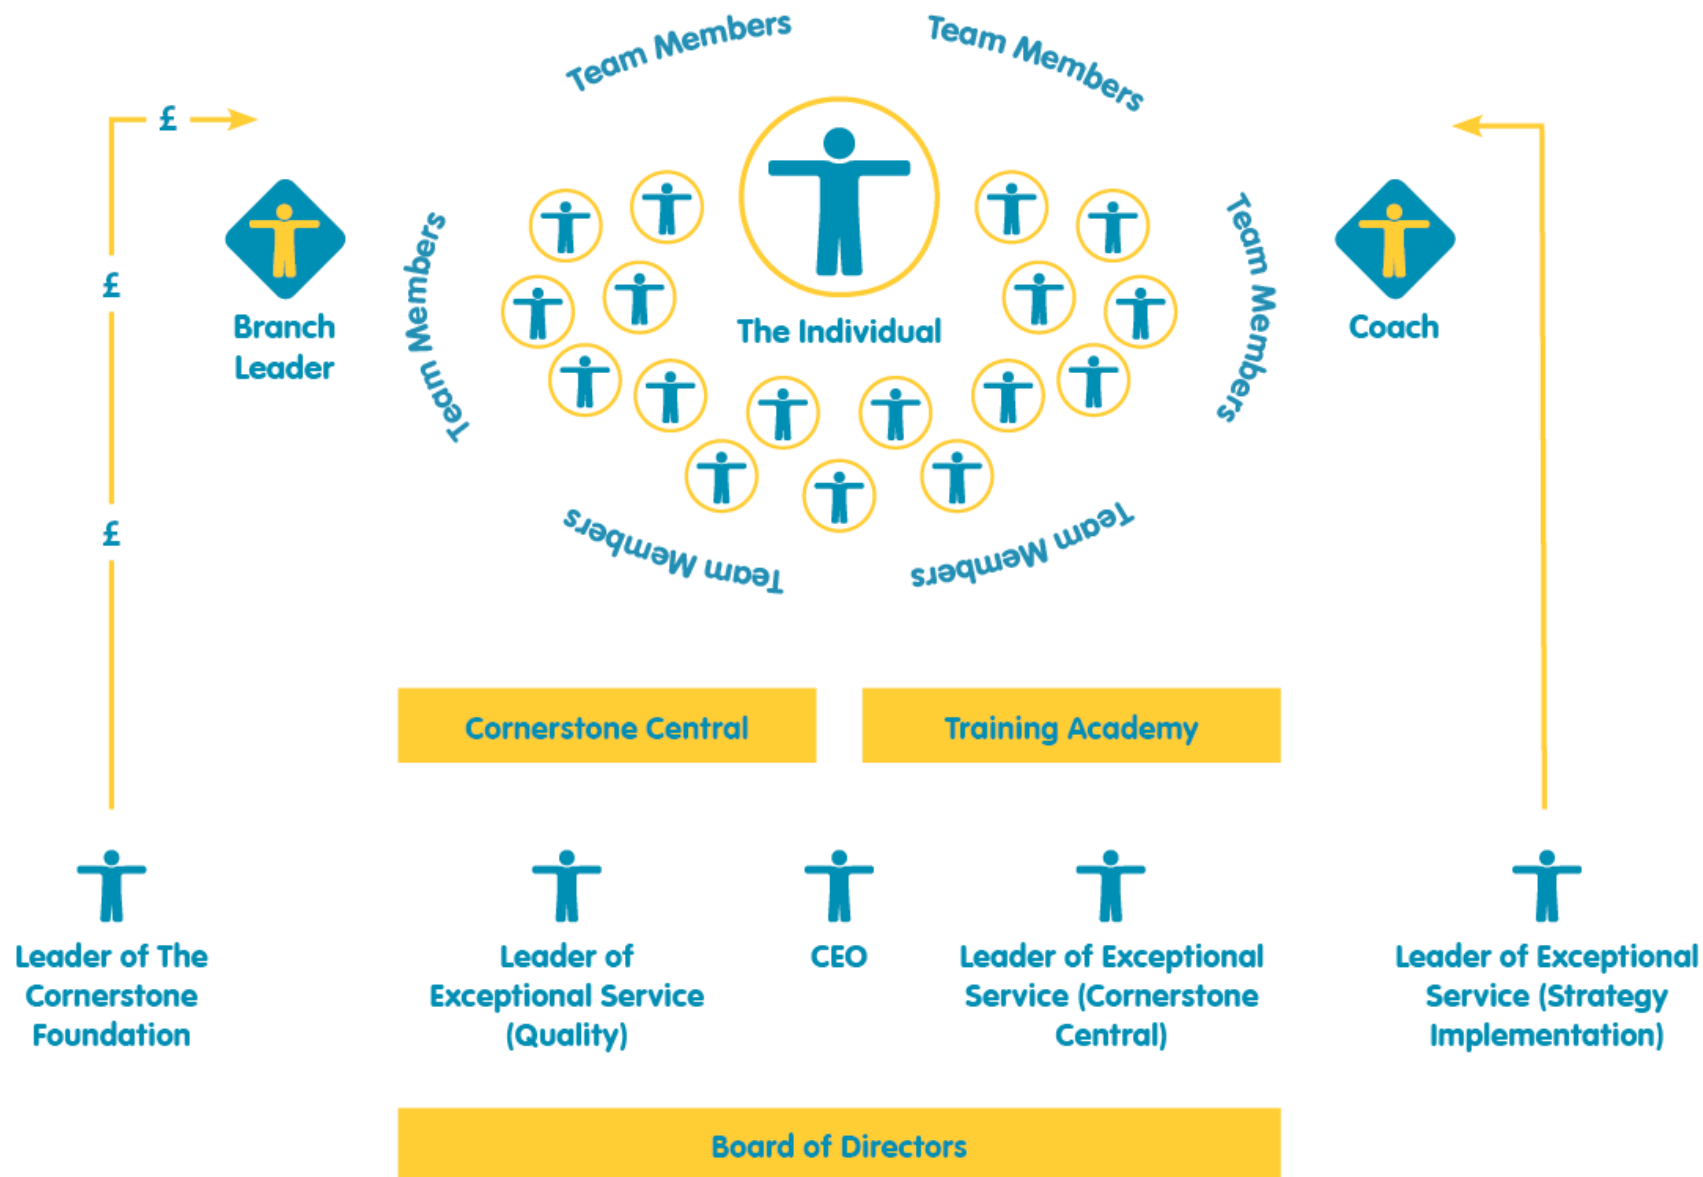

Let us continually strive to do more than we are contractually obliged to do

Let us demonstrate that we genuinely value social care as a profession

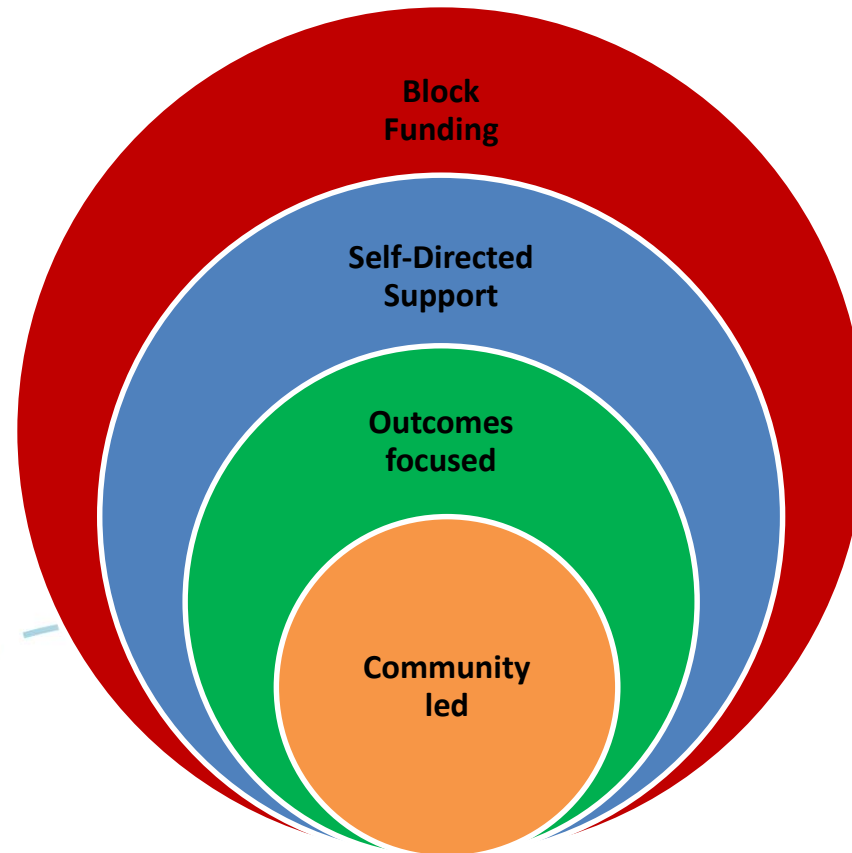

Let us use our charitable income to do some amazing things that help all the people we support to live a valued life

What is Local Cornerstone?

Commissioning 'tests'

The journey so far...

- Organisational culture
- People we support and their families
- Change management
- External relationships
- Industrial Relations

Where are we now...

- XX Local Care and Support Teams
- New structure
- Team member roles embedded
- Technology project
- Test site for Local Cornerstone
- Commissioning test sites
- Slimmed down processes
- 'Traditional' vs 'New' services
- Tendering challenges
- Cultural change

Case study: discussion

What does this mean for
your practice?

Reflecting on everything you've heard so far today

(including the case study example)...

What are the implications, the challenges, the
opportunities?

Discussion

Where do we want to be in
one and **five years** time
with spreading Human
Learning Systems
practice?

Think about...

1. What can you do to build and share this practice?
2. What do you need to build and share this practice?

Please return to the main room and we'll ask you these questions on slido shortly!
